

LEOS Currency Purchasing Guide

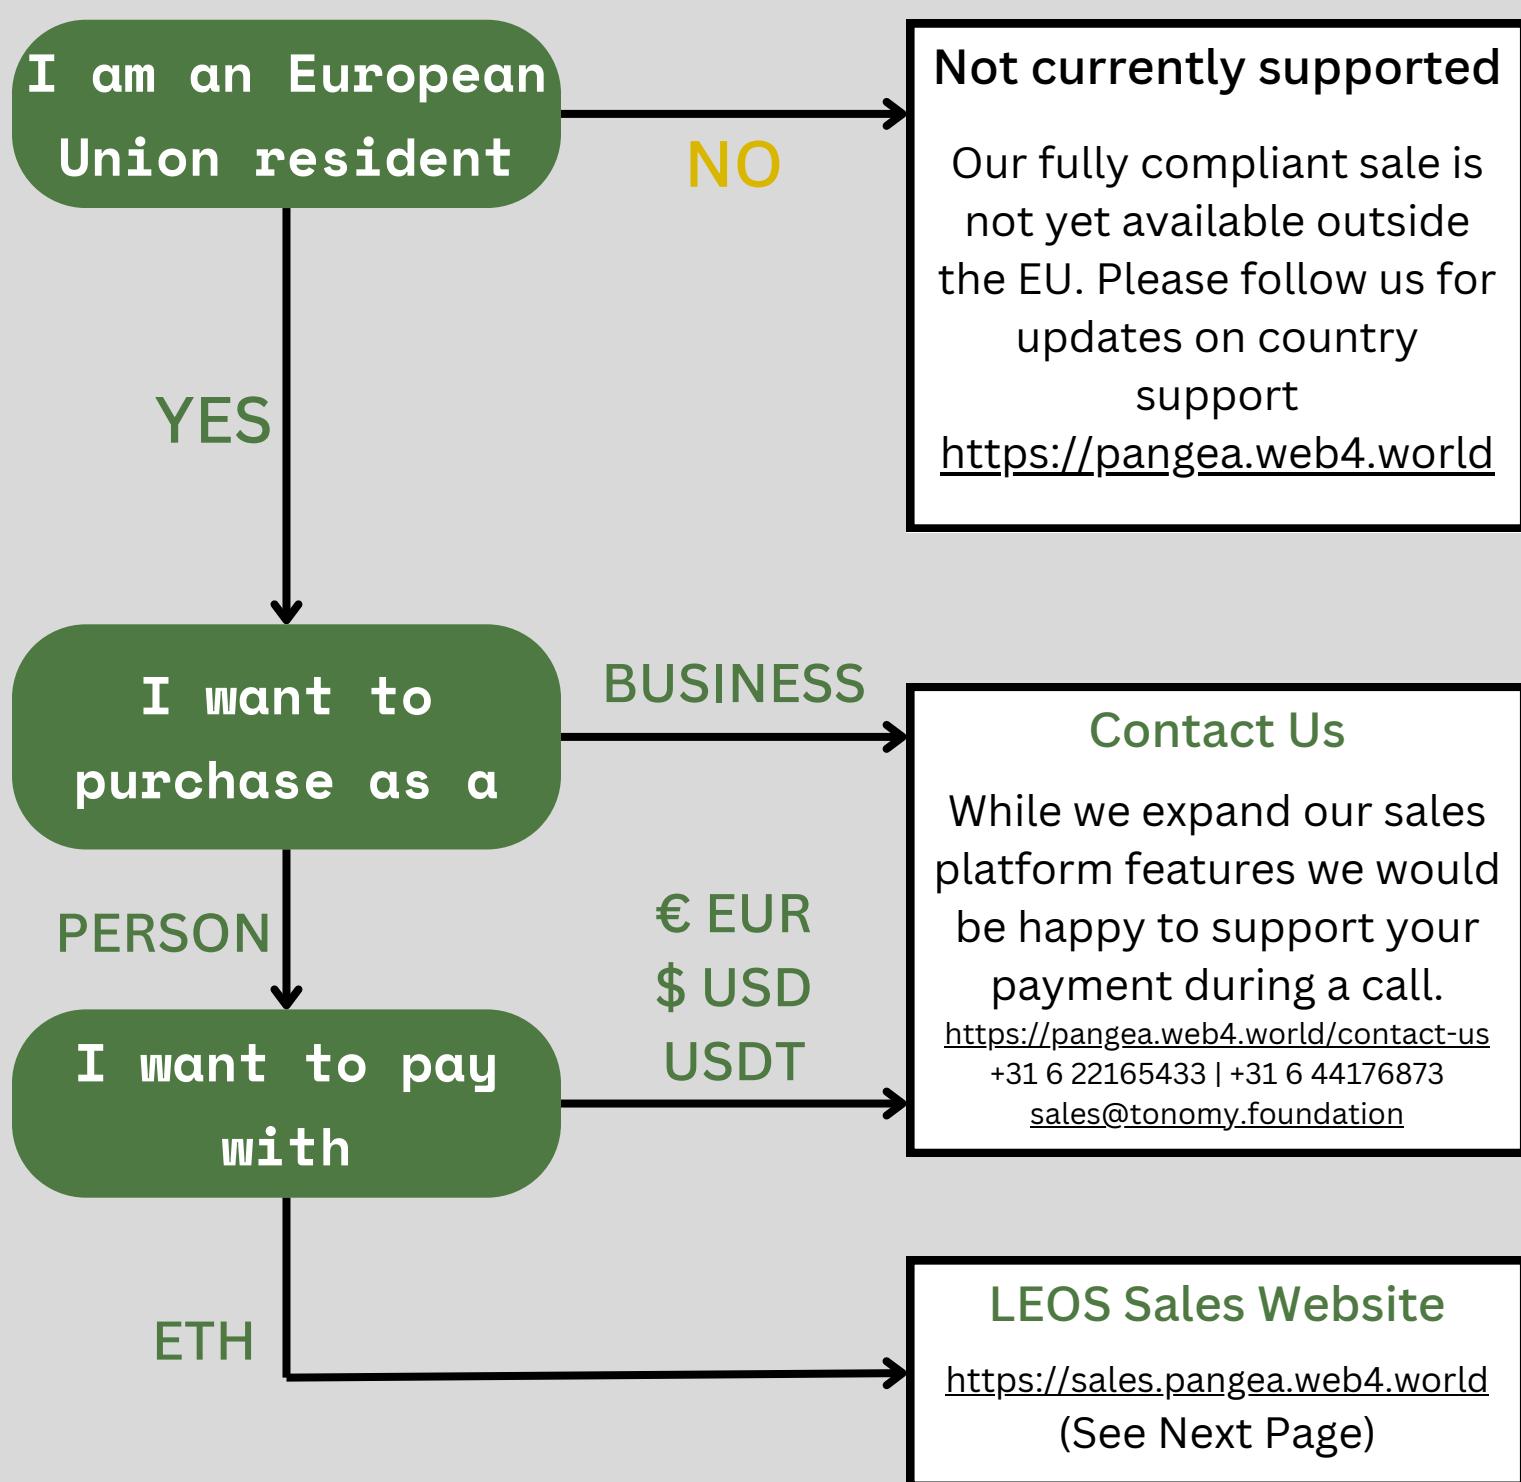

Your step-by-step guide to buy LEOS Token as part of the **MiCA-compliant Seed Round**.

**BUY LEOS
TOKEN TODAY!**

Let's find the best payment method for you

How to use the LEOS sales website

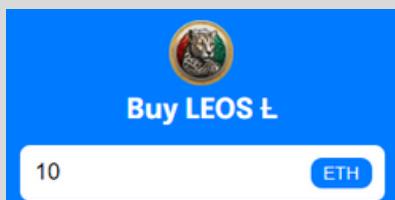

Before you start, make sure you have:

- 1. Metamask installed, with an account with sufficient ETH to purchase with:**
<https://metamask.io>
- 2. United Citizens Wallet with an account created:**
<https://pangea.web4.world/united-citizens-wallet>
- 3. EU identity document ready for KYC**

Ready? Let's buy some LEOS!

1. Go to: <https://sales.pangea.web4.world>

2. Fill in the ETH amount you want to purchase

3. Login with the United Citizens Wallet. Scan the QR code to login.

4. Complete identity verification

5. Sign the Token Agreement

6. Click "Pay with Crypto" and pay with Metamask

(Remember to save some ETH to pay for gas fees)
